

I want to make sure that I am able to continue listening to K-LOVE.

Please don't give priority to LPFM - which could mean that I won't be able to listen to K-LOVE here in the tidewater area of Virginia.

My family and I listen to K-LOVE all day - in the car - and even on trips around the country we search for local stations. We support K-LOVE with a \$40 a month contribution - our money is where our mouth is.

There are no other local stations that have a family friendly station. My two young boys - LOVE - to listen to the christian music.

K-LOVE also broadcasts announcements of events in the community - for free. We have used this to get word out about events at our church and in our community. This was especially helpful after hurricane Isabel flooded hundreds of homes here in Poquoson.

I think it is very important to have an uplifting, christian, radio station. Many people here also agree - because K-LOVE is listener supported, the proof is in the money that people willing pay.

Thank you for your consideration.
